My Dear Friend Wayne,

I am writing this letter so that you might share it with others. You know how highly I think of you, and what I am about to write I have mentioned to you many times.

You possess all the qualities necessary to serve Lions Clubs International in an admirable manner as an officer. You not only have the academic training but your many years in the fields of education and business has taught you that successful outcomes result from careful strategic planning, directing the implementation of those plans and monitoring the performance. I have observed you employ this process as a District Governor with the result that your District had the first plus in membership in 17 years. You also displayed your leadership ability in your role as Council Chairperson of MD-25, President of the Indiana Lions Foundation, Sector Coordinator for Campaign SightFirst II, Group Leader for five DGE seminars, two Senior Leadership Institutes and a MERL team training seminar. Another important leadership quality is to be able to bring about consensus when there are many divergent views, and I saw you do that successfully in the leadership roles previous mentioned.

I know that you and Linda are ready to commit your lives to the furtherance of Lions Clubs International. Those who have had the good fortune to have observed you and Linda at your many speaking engagements, and I am one of them, can attest that you present yourself in a very presidential manner. There is no doubt in my mind that both of you will be superb ambassadors for our association.

Let me close by stating that I fully support your candidacy for 2nd Vice-President of Lions Clubs International and hopefully our organization will also endorse you.

J. Marcheggiani
